RE: LETTER OF SUPPORT

Dear Mayor Brunscheon,

This letter is being forwarded to you in support of your city's efforts to move through the process of a Customized Periodic Review.

As you are aware, the Department of Corrections, through the IGA contributed \$150,000 to this process.

We now understand that the results of this process is moving from draft form to a completed document for submission.

We recognize and commend the many volunteer hours that have gone into this process. We would also like to thank your staff for their guidance and perseverance.

If we can provide any clarity on items that relate to our site, please feel free to contact me.

Sincerely,

Parrish Van Wert
State Projects Communications Liaison
